

HEIQA****SHOW CARD C7**

Now we want you to remember what [^name] was like [^two years ago] and to compare it with what [^he / she] is like now. [^BLANK / Two years ago was in 2010/11]. I will read out situations where [^name] has to use [^his / her] memory or intelligence and we want you to indicate whether this has improved, stayed the same or got worse in that situation [^over the past two years / since [^<date of last interview>]]. Note the importance of comparing [^name's] present performance with [^two years ago / when we last talked to you on [^date of last interview]]. So if [^two years ago / when we last talked to you on [^<date of last interview>]] [^name] always forgot where [^he / she] had left things, and [^he / she] still does, then this would be considered 'Hasn't changed much'.

Please indicate the changes you have observed giving the appropriate answer from the card.

1 Press <1> and <Enter> to continue

2 Unable to answer - does not know what the person was like two years ago

[Don't Know and Refusal are not allowed]

IF whether can answer questions about participant's memory = continue [Heiqa = 1]
